

Hi there! How good is your memory?
Have a look at these pictures. An adult will ask you the questions on the next page.

Hello adults,
Here are some
questions to ask about
Memory Practice 3:

1. How many pictures were in the box?
2. Can you name all the pictures in the box?
3. What was the thing that you can eat?
4. What was the creature you can cuddle on your lap?
5. What was the thing you can travel in?
6. What was the animal that gives us milk?
7. Can you remember which picture was above the cow?
8. Can you remember which picture was below the rabbit?

Now you can colour the pictures.
