

This is a cat.

Look at the cat.

Colour the cat
black.

Adults: This is a reading and colouring activity but if your child wants to do more , here are some suggestions:

- run off another copy and cut up the sentences, ask your child to make them up again, perhaps stick them into an exercise book;
- trace over the words with a coloured pen;
- copy the sentences into an exercise book or lined paper ;
- can your child think of a new sentence, such as ‘ *I like the cat.* ’
