

KEY OBJECTIVES : Numeracy : Foundation (age 4-5)

Using and applying Maths

Date Completed

Use developing mathematical ideas and methods to solve practical problems.	
Talk about, recognise and recreate simple patterns.	

Counting and understanding number

Say and use the number names in order in familiar contexts.	
Count reliably up to 10 everyday objects.	
Use language such as more or less, greater or smaller to compare two numbers or quantities.	
Recognise numerals 1 to 9.	

Knowing and using number facts

Find one more or less than a number from 1 to 10.	
---	--

Calculating

Begin to relate addition to combining two groups of objects, and subtraction to taking away.	
In practical activities and discussion, begin to use the vocabulary involved in adding and subtracting.	

Understanding shape

Use language such as circle or bigger to describe the shape and size of solids and flat shapes.	
---	--

Measuring

Use language such as 'greater', 'smaller', 'heavier', or 'lighter' to compare quantities.	
---	--

Handling data

Sort familiar objects to identify their similarities and differences.	
---	--
