

AM

LITERACY :

1. Start with word work on -ich and -itch , looking at the words that have this same sound but are spelt differently.
2. The writing activity is looking at flow charts/instructions . They have to cut out the instructions for growing a plant from seed and stick them in the correct order. If there is time they could design their own flow charts, ie. making a cup of tea, changing a tyre.

NUMERACY:

1. The starter is a logic problem, bright sparks who solve it quickly could design their own.
2. The main activities are to do with money, 7 pages including change and problems.

PM

1. **PSHE:** The story, 'The New Girl', is about bullying by saying unkind things.
2. **Science :** Two worksheets on skeletons, looking at human skeletons and those of cats and dogs.
3. **Art:** Children enjoy drawing running figures. Look at the sheet of samples and point out the shape of the legs and arms before they start trying their own.
